BHASKAR ENGINEERING COLLEGE

NATIONAL SERVICE SCHEME (NSS)

NSS DAY – PLASTIC AWARENESS PROGRAMME

EVENT REPORT

Date	24 September 2026
Venue	Bhaskar Engineering College
Programme	Plastic Awareness Programme
Organized by	NSS Unit, Bhaskar Engineering College
Theme	Towards a Plastic-Free Campus and a Cleaner Environment

1. Introduction

On the occasion of NSS Day, the NSS Unit of Bhaskar Engineering College organized a Plastic Awareness Programme on 24 September 2026. The programme was conducted to create awareness among students and staff about the harmful effects of plastic waste and to encourage responsible practices for reducing, reusing and properly segregating plastic.

2. Objectives of the Programme

- To create awareness about the environmental and social impact of plastic pollution.
- To encourage students to reduce the use of single-use plastics.
- To promote the use of reusable and eco-friendly alternatives.
- To motivate the college community to maintain a clean and plastic-free campus.
- To encourage responsible waste segregation, recycling and disposal practices.

3. Programme Activities

- NSS volunteers and students participated in the plastic awareness activity.
- Awareness messages on the harmful effects of plastic and the importance of reducing plastic usage were displayed through the programme poster.
- Participants were encouraged to adopt eco-friendly alternatives and responsible waste-management practices.
- The activity promoted the message of working together for a cleaner and healthier campus.

4. Key Awareness Messages

- Say No to Plastic.
- Reduce, Reuse and Recycle.
- Choose reusable and eco-friendly alternatives.
- Keep the campus clean and plastic-free.

• Small changes in daily habits can create a big environmental impact.

5. Participation

The programme was supported by NSS volunteers, students and faculty/staff members of Bhaskar Engineering College. The participants actively supported the awareness initiative and contributed to spreading the message of plastic reduction and environmental responsibility.

6. Outcome of the Programme

The programme helped reinforce awareness about plastic pollution and the need for sustainable choices. It encouraged the college community to reduce dependence on single-use plastics, use reusable alternatives, and contribute to maintaining a cleaner and healthier campus.

7. Conclusion

The NSS Day Plastic Awareness Programme was successfully conducted as an environmental awareness initiative. The activity reflected the NSS spirit of community service and responsible citizenship. The NSS Unit will continue to encourage students to participate in activities that support environmental protection, cleanliness and sustainable living.

8. Photographic Evidence

Photographs taken during the Plastic Awareness Programme are enclosed below as documentary evidence.
