Women Protection Cell

Introduction:

Women cell at BEC aims at empowering and orienting women to recognize their true potential and to help them attain their own stand in a competing world. The cell has been established in order to protect the women staff and students associated with the college from any sorts of injustice or sexual harassment of any nature directly and indirectly.

Objectives:

1. To mould potential women force in the campus to achieve thriving mile stones of success.
2. Empowering women to attain emotional, physical and mental freedom to withstand the changing phase of their life.
3. To enhance the self-esteem and self-confidence of women students, faculty and staff in the college.
4. To develop critical thinking ability of women students such that it enhances decision-making ability. To women cell has been formed to resolve issues pertaining to grievances filed by students or staff.
5. To provide a platform for listening to complaints.
6. To incorporate hygiene habits and ensure a health atmosphere in and around the campus
7. To ensure personality along with academic development of students
8. To promote a culture of respect and equality for female gender.
9. To inculcate entrepreneurial attitude among young girls, scientists at the earliest so that they can be "job givers" rather than "job takers".
